Title: Need for special winter season trains to Kerala.

SHRI P.C. THOMAS (MUVATTUPUZHA): My demand from the Government is to start some special trains to Kerala during this winter for the Christmas vacation and for the new year because there is a lot of rush. The persons who go to book any train, they are not able to get the booking. The situation is same with Bangalore because a lot of people are working in Bangalore. Same is the case with Chennai, Kolkata, Mumbai and other important States.

Therefore, I would request the Railway Minister to order some special trains with all facilities with water and food to Kerala from different important places immediately.

उपाध्यक्ष महोदय : श्री राम कृपाल यादव जी :उपस्थित नहीं।
